The above information is complete and accurate. I request and consent to the administration of the vaccines to myself (or to the patient if I am the parent or guardian) agreed upon by myself and Dr. Wilson.

I understand that a deposit payment is due at the time services are delivered. I am financially responsible for charges for services rendered to me by John D. Wilson, M.D. (dba The Travel Clinic). I request that payment of insurance benefits be made on my behalf directly to Dr. Wilson for any services furnished to me. I authorize any holder of medical or other information to release to my insurance provider any information needed to determine benefits under my insurance plan. I understand that Dr. Wilson will, as a courtesy, bill my insurance provider on my behalf. If my insurance pays on a given item, I understand that I may be eligible for a refund of the deposit for that item. *If my insurance is managed care insurance, and no referral is in place, I understand that I am accepting financial responsibility in signing this waiver.* I understand that if I fail to pay in full on time, I agree to reimburse Dr. Wilson for all costs of collection, including reasonable attorney fees and costs, and to pay interest at the statutory rate.

Please see our Financial Policy which will clarify some of these issues.
